PRO LINE AMERICA IS GOING PRO

This Product Guide has been developed to provide Pro Line sales professionals with easy, immediate access to a wealth of information on Pro Line's 1995 product line. Inside, you will find complete specifications and equipment listings on each model, plus performance data.

In order to make the most of this valuable resource, we suggest that you review it in its entirety, familiarizing yourself with content and organization. Knowing where to find the information contained here can help you become more productive...and a better sales professional.

Best of luck in 1995.

THE PRO LINE STORY

In 1968, Ray Atwood and his son, Dan, started a small company dedicated to building a boat designed by fisherman for fisherman that offered quality and value. Located originally in Inglis, a small town north of Crystal River, Florida, the Atwoods decided that since they were building a line of boats favored by the local pros, the new company should be named Pro-Line Boats.

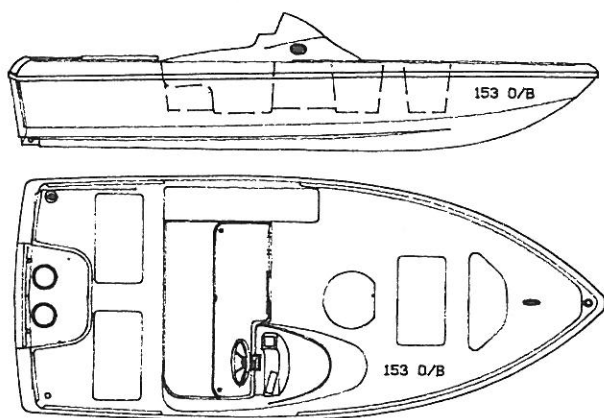

As Pro-Line grew, so did their need for larger quarters, and they moved to Homosassa, a quiet but popular fishing area, known for its fresh water springs and rural atmosphere.

By never wavering from their original goals of producing a fisherman's boat with dependability, quality and value, the Pro-Line reputation continued to grow stronger through the years. In 1970 Pro-Line had eleven dealers and was producing 286 boats a year. By 1980 Pro-Line dealers numbered more than sixty throughout the country.

1989 was the year of change for Pro-Line as Ken Hall took the helm as president and CEO. Due to Ken Hall's marketing expertise and innovative ideas, Ken not only made Pro-Line a household name among fishermen, but gave Pro-Line the fresh new look that it's famous for today. Pro-Line's dealer network is now comprised of more than 100 dealers in the U.S., with an overseas distributor to handle foreign sales.

Pro Line has become the number one choice of American Fisherman and offers over 16 different models to choose from.

Ken Hall and Dan Atwood attribute their success to consistent innovation and improvement in design, maintaining the highest standards of quality at an affordable price and listening to the retail customer. Because of these three key points, America is going Pro!

153 STALKER

STANDARD EQUIPMENT

* Bilge Pump (500 GPH) * Baitwell, Insulated * Casting Deck Storage * FIST Stringer System * Cleats, Pop Up, 4-1/2 (3) * Electric Fuel Gauge * Horn, Electric * Flotation Foam * Hatches With True Gutter System * Navigation Lights, Removable * Rod Holder Storage (Hidden) * Seats Cushions (3 Person) * Slip Resistant Deck, Cockpit, & Gunnels * Storage Bow & Stern (Dry/ Insulated) * Trolling Battery Storage for 2 * Upholstery, Removable

210 SPORTSMAN

STANDARD EQUIPMENT

* Accessory Bus Bar Under Dash * Automatic Float Switch
 Bilge Pump (1500GPH) * Anchor Locker Storage * Battery Tray
 w/ Hold Down(Single) * Casting Deck Storage * Center Console
 w/ Storage * Closed Cell Foam Flotation(Basic) * Cutting Board
 * Dash Panel * Divinycell Foam Core Construction * Drink
 Holders * Electric Fuel Gage * Electric Horn * FIST Stringer
 System * Fuel/Water Separator (engine pkg. only) * Garboard
 Drains * Illuminated Switch Panel w/ Resettable Breakers
 * Insulated Aft Baitwell/Livewell * Insulated Fish Box /
 Livewells (2) * Mechanical Rotary Helm Steering Navigation
 Lights * Molded in Console Seat * Plexiglass Windshield
 * Remote Oil Deck Fill (Engine Package only) * Rigid Vinyl
 Gunnel Trim w/ Flush Insert * Rod Racks * Stainless Steel Cleats
 (8") * Stainless Steel Deck Hardware * Stainless Steel Full Bow
 Rails * Stainless Steel Steering Wheel * Stainless Steel
 Windshield Grab Rail * Striping Package (Aqua, Blue, Gray,
 Jade, Red) * Tackle Box- Built In * Twin Pedestal Seats

OPTIONAL EQUIPMENT

* Baitwell Recirculating Washdown System Aft * Battery
 Switch-Dual w/ trays * Bimini Top * Cleats - Spring-Line *
 Cockpit Shower * Compass * Cooler (94 QT.) w/ Stainless Steel
 Flip Flop (Upgrade) * Console Cover * Cushions-Bolster-Cockpit
 * Cushion - Bow * Depth Finder * Dive Platform (1/2 w/ ladder)
 * Flo-Scan Gauge (Single) * GPS * Graphics Package (Aqua,
 Blue, Gray, Jade, Red) * Leaning Post (2700 style) * Leaning Post
 w/ 94 QT. Cooler (Exchange) * Lift Kit * Lights - Remote
 Control Spot * Lights - Spreader (Requires Tee Top) * Loran C w/
 Antenna * Lure Cabinet * Outriggers-Gunnel Mount or Top Gun
 T-Top Mounted * Radio - VHF w/ Antenna * Stereo AM/FM/
 Cassette w/2 Speakers * Stereo AM/FM/CD w/2 Speakers * Rod
 Holders (1 or 2 Pair) * Rod Storage - Vertical * Seats O/B Jump
 * Seat Quad Base Fishing Chair * Shrink Wrap * Steering -
 Hydraulic * Storm Hood * Top-Tee w/ Radio Box * Trim Tabs
 * 12-Volt Receptacle

OPTION PACKAGES

SPORT CONVENIENCE PACKAGE

* Bow Cushion * Cockpit Bolster Cushion * Spring Line Cleats
 * 1 Pair Cockpit Lights * 1/2 Dive Platform with Ladder

FISH PACKAGE

* Baitwell Recirculating Washdown System Aft * 2 Pair Rod
 Holders

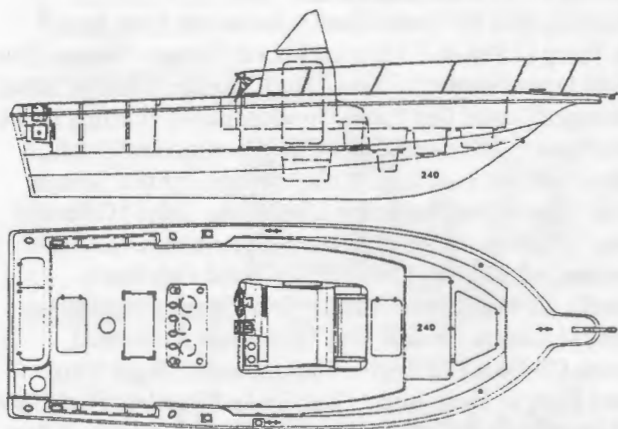

GPS PACKAGE

* GPS-Navigation System * VHF Radio w/ Antenna * Compass *
 Deluxe Depth Finder

ELECTRONICS PACKAGE

* Compass * VHF Radio w/Antenna * Depth Finder

2950 MIDCABIN

STANDARD EQUIPMENT

*Accessory Bus Bar under Dash *Anchor Locker Storage Compartment
 *Sundries Storage Compartment w/ Net *Sundries Storage Compartment
 w/ Door *Automatic Bilge Pump w/Float Switch (500 GPH Cabin)
 *Automatic Bilge Pump w/ Float Switch(1,500 GPH) *Battery Tray w/
 Hold Down (Dual) *Bait & Tackle Station w/ Aft Recirculating
 Bait/Livewell, Raw Water Washdown, Selector Panel(Baitwell -
 Washdown), Cleanup Sink *Bow Pulpit w/ Full Bow Rail & Roller
 *Bow Seat w/ Cushion *Cabin Accent Pillows(5) *Cabin Cushions &
 Bolsters *Cabin Door *Cabin Hatch *Cabin Lights *Cabin Rod Racks
 *Cabin Table w/ Single Pedestal Support *Cabin V-Berth Carpeted
 Storage *Cabin Opening Porthole Windows and Screens(4) *Cabin
 Window Curtain(Large Side Window) *Clear Curved Tempered Glass
 Windshield *Cleats- 10" (5) *Closed Cell Foam Flotation *Cockpit
 Shower *Cockpit Bolster Cushion *Cockpit Recessed Rod Racks
 *Cockpit Seat w/ Cushion *Cockpit Lights *Cutting Boards *Illuminated
 Instrument Panel w/ Resettable Breakers *Divinycell Foam Core
 Construction *Dive Platform w/Ladder*Drink Holders *DC Panel
 *Electric Fuel Gage *Electronics Box w/Lock (Dash) *Enclosed Head w/
 Full Standup Shower* FIST Stringer System *Forward Cabin Shelves w/
 Mirrored Doors *Fuel/Water Separator (Engine Packages Only) *Full
 Galley w/ Sink, Ice Box and Alcohol Stove *Garboard Drain *Hawse
 Pipe *Head Mirror *Helm Bench Seat (Command) *Horn (Electric)
 *Hydraulic Steering *Insulated Fiberglass Fish Storage
 Box/Livewell(Single Mid Cockpit) *Knife and Pliers Drawer * Magnetic
 Compass *Mid Cabin Berth w/ Covered Cushions *Mid Cabin Window
 & Screen *Navigation Light *Portable Head *Remote Oil Deck Fills
 (Engine Package as Required)*Rigid Vinyl Gunnel Trim w/ Flush Insert
 *Single Insulated Aft Baitwell *Stainless Steel Thru-Bolted Hardware
 *Stainless Steel Steering Wheel *Striping Package (Aqua, Blue, Gray,
 Jade, Red)*Tackle Box Built In *Transom Door w/ Storage
 Compartment *Twin + 2 O/B Motor Bracket

OPTIONAL EQUIPMENT

*Air Conditioning *Arch Radar w/ Rocket Launchers *Auto Pilot
 *Battery Switch - Dual w/Trays *Bimini Top *Cooler w/ Cushion
 (99QT.) *Curtain Package (Soft Top, Hard Top, Arch) *Depth Finder
 *Flo-Scan(Dual) *Generator (gas 4KW) *GPS *Graphics Package(Aqua,
 Blue, Gray, Jade, Red) *Hard Top w/ Radio Box & Rocket Launchers
 *Head - Electric w/ Macerator, Holding Tank, & Pump Out *Hot Water
 Heater (Requires Dockside Power)*I/O Deck w/ Floor Storage *Lights -
 Remote Control Spot *Lights - Spreader(Req.'s Hard Top or Arch)
 *Livewell - Recirc. System Mid *Loran C w/ Antenna *Microwave
 *Outriggers -Gunnel or Tower Mount *Outriggers - Arch or Hard Top
 Mount (Top Gun) *Power - Dockside *Pump-out for Portable Head *
 Scuba Rack *Stereo - AM/FM/ Cassette w/4 Speakers *Stereo
 AM/FM/CD w/ 4 Speakers *Radio - VHF w/ Antenna *Refrigerator -
 AC/DC Rod Holders (1 or 2 Pair) *Seat - Rear Bench Removable
 *Shrink Wrap *Stove - Alcohol/Electric *Tower Package *Trim Tabs
 *Wipers - Port *Windlass *12-volt Receptacle

OPTION PACKAGES

ELECTRONICS PACKAGE

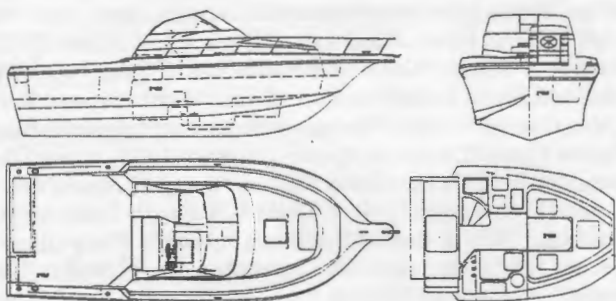

*Depth Finder *VHF Radio w/ Antenna

WEEKENDER PACKAGE

*Dockside Power *AC/DC Refrigerator *Alcohol/Electric Stove

GPS PACKAGE

*GPS-Navigation System *VHF Radio *Compass* Deluxe Depth Finder

2950 MIDCABIN

SPECIFICATIONS

Length Overall	30'0"
Beam	10'9"
Draft (Hull Only)	22"
Hull Type	Deep Vee
Fuel Capacity	
O/B (Saddle Tanks - 2)	300
I/O (Duel Tanks)	200
Weight (hull only)	7500 Lb.
Cockpit Area	80 Sq. Ft.
Cockpit Depth	30"
Max HP	
Out Board or Plus 2	500 HP
I/O - Twin	480 HP
Fresh Water Capacity	42 Gal.
Sleeping Capacity	4 People
Holding Tank Capacity (opt)	8.5 Gal.
Bridge Clearance	
No Top	7'1"
Hard Top	9'6"
Cabin Head Room	6'6"

FEATURES & BENEFITS

- * Pro Line uses a CAD Computer Program enabling the design team to initiate exact drawings with perfect accuracy.
- * Fully integrated design/tooling/manufacturing means fresh, innovative ideas.
- * Pro Line uses just the right amount (app. 22 mils) of premium MaxGuard Gelcoat with high gloss retention, for long lasting beautiful finishes.
- * Pro Line uses a 3 oz. skin coat as a print barrier for smooth glasslike surfaces.
- * All Pro Line are entirely hand laid for maximum strength and durability.
- * Only high tech. 3610 knitted Fiberglass is used in the layup of Pro Line boats for maximum strength and superior fiberglass to resin ratio, resulting in strong, lightweight fishing boats.
- * All stringers and transoms are installed while the part is still in the mold for perfect alignment and fit. This will ensure true performance from the finished product.
- * All Pro Line parts are allowed to completely cure in the molds to prevent any distortion. This takes time and cost money but perfection is expected at Pro Line.
- * Pro Line laminates backing material into every hull and deck built everywhere hardware will be installed.
- * Pro Line fuel tanks are manufactured using only the highest quality anodized aluminum. Pro Line then pressure test the tanks three times before they are allowed to leave the factory. This ensures years of trouble free service.
- * Pro Line uses a closed cell foam flotation under the sub-floor and inside the FIST stringer systems. Closed cell foam is extremely buoyant and does not absorb water. It also adds strength to the hull and acts as a sound deadener giving you a safer and quieter ride.
- * All Pro Line are fitted with fiberglass inner liners for rugged durability and easy maintenance.
- * Pro Line boats hull and deck are joined together using polyester bonding putty and epoxy coated stainless fasteners. The seam is then filled with polyurethane sealant to prevent leakage and provide additional adhesion.
- * Pro Line uses 316 Marine Grade Stainless Steel on all of their hardware(cleats,hinges,etc.) for strength and a long lasting luster.

- * All Pro Line wiring is color-coded, heavy gauge wiring that meets or exceeds NMMA requirements. All wiring connections are sealed with heat shrink tubing to permanently protect the connection from the elements. Pro Line takes this extra step to ensure years of trouble free service.
- * Unlike most other corporately owned boat companies, with Pro Line you can choose your engine brand.
- * Pro Line upholstery and canvas are done in-house to ensure control over quality and cost, guaranteeing the consumer the highest quality product at the best possible price.
- * All Pro Line Boats are NMMA certified, which is a higher standard than what the U.S. Coast Guard requires. This ensures boating safety and trouble free service for years to come.
- * All Pro Line Boats use the FIST (Fiberglass Integrated Structural Technology) Stringer System. FIST is a superior boat building process that utilizes a fiberglass stringer system and high density Divinycell Foam coring in place of wood. It's the highest standard for the construction of rugged fishing boats and Pro Line backs it with a 10 year, transferable hull warranty. The FIST system with Divinycell Foam coring eliminates the possibility of rotting wood.
- * Pro-Line offers a 10 year transferable hull warranty that helps keep the resale value of your boat higher.
